1. Write your answers in the book so you have a record of your answer when we go over the answers in class. This sheet covers your first reading (remember to choose the **1st or 2nd** reading). Parts 1 and 2 of the third reading are always done online; use this sheet for Part 3 and the "Respond in writing" portion.
2. Transfer your answers, including the respond in writing portions, to this answer sheet and **turn this in only**.
